Vaccine Calendar
(traduction en anglais)
This calendar can be modified over the years. Your doctor can possibly adapt it to your child, do not hesitate to talk about vaccinations with him.

- Free and recommended to all
- ▲ Recommended to all, reimbursed but not free
- Adjustment if not yet done at this age
- Combined vaccine (only one injection)
- +

Recommended to young girls but only reimbursed between 12 and 18 years old

Some of these vaccines can be recommended at other ages, depending on the individual state of health.
